Dear Mr. Vieselmeyer:

Thank you so much for your careful and skilled work on our Lodge. The quality of your workmanship is obvious, and the meticulous attention to detail has impressed our staff and volunteers throughout the construction process.

We also appreciate your efforts to ensure an on-time completion. Your ability to meet our requirements, even as they evolved to better fit our mission and our programming, is a clear indication of the quality and professionalism of your team.

We look forward to giving our first official tour of the Lodge at our Annual Meeting on January 31st 2015. Opening this beautiful building is the best possible start to our new year, and we thank you again for your work on the Lodge.

Sincerely,

Elaine Farwell
